# YOU SAVE DOLLARS

## MORE LIVE POWER per gallon

**AND IT'S SENSIBLE OR YOU GET KEENER PERFORMANCE, TOO!**

The money you'll save this summer and fall by taking advantage of the extra Live Power in Standard Red Crown Superfuel will run into a good many dollars. For there's no extra charge to you for this power-packed motor fuel—it's priced the same as the usual "regular" gasoline. —> The price is the same, yes—the big difference is in the store of instantly usable driving energy in Superfuel. It means that your gasoline money not only takes you farther, at less cost—but faster, when the occasion calls for speed. —> Not in Standard Oil history have we been able to offer greater value from a double standpoint—performance and economy! —> More Live Power per gallon is simply another way of saying More Live Power per dollar. Every penny of your gasoline money buys more propelling energy in Standard Red Crown Superfuel. —> That sounds good to you? Then try it. Take on a tankful of more Live Power. Test it any way you wish—for getaway, for power on hills, for easy high speed—and for mileage. You'll come back for more. —> Try this up-to-the-minute motor fuel. Save money—and enjoy keener, more brilliant engine performance while you're saving!
