Peters Slated For Hoosier Relief Work

Former Chairman May Get Hoke's Post

Indianapolis, Aug. 2.—R. Earl Peters, former Democratic state chairman, who turned down one federal job to make his unsuccessful campaign for United States senator, may be rewarded for his services to the administration with another federal post.

Peters is believed slated to succeed Fred Hoke as head of the national emergency council and NRA administrator in Indiana, according to reports from Washington.

Hoke, according to the report, will be put in charge of the federal housing service if he does not decide to retire to private business.

The former dictator of Democracy in this state has been considered long overdue for federal recognition by his partisans because of his record as a Roosevelt man long before the national convention at Chicago two years ago.

Peters in 1932 was practically the only important Democratic politician in Indiana who endorsed Roosevelt, and did good service in swinging the Indiana delegation into line when California and Texas had begun the stampede.

James Farley national Democratic chairman was said to have been willing to recognize Peters' work when the Roosevelt administration took office by tendering the state leader the first assistant postmastership.

Peters, however, declined the federal post to leave himself free to run for the United States senatorship.

When Sherman Minton, state public counselor, was nominated for the senatorship in place of Peters last June, it was intimated that Farley would "take care" of the former state chairman.

Such an appointment would, it was felt, help to heal the wounds left in the party by Minton's nomination and prove a sop to the northern Democrats who felt they were neglected when a New Albany man was chosen.

"PLEASANT AFFAIR"

"About twenty couple of young people met at the residence of Miss Jennie King, on Upper Chestnut street last night to enjoy the misty mazes of the waltz and quadrille, and enjoying a most pleasant time, dispersing at the wee sma' hours this morning. Late in the evening the hostess arranged a splendid supper to which ample justice was done by all the guests. Among the guests were Messrs. John Lowery and George Conner, of New Albany, and Mr. and Mrs. Bennett of Seymour. Little Miss Ida Milligan danced the Fisher's Hornpipe in a most charming manner to the great enjoyment of all, and received many compliments from the spectators. Miss Laura Isgrigg presided at the piano, and Mr. August Mergell furnished the violin accompaniment to the entire satisfaction of everybody. It was one of the most pleasant social events of the season."

"The Adams Express office has been removed to the grocery store of Langenfelter & Son, corner Spring and Market streets. The company will no doubt be faithfully served by Mr. Horace Langenfelter, and the public will be served promptly and cheerfully. Horace is a favorite in this city."

"Dave Tomlin and Andy Rose have gone into the house moving business."

Jeffersonville Jubilee August 3rd and 4th

The following is a list of the awards to be given away by the News & Journal and the Jeffersonville Merchants during the "Jeffersonville Jubilee Days," August 3rd and 4th, in celebration of the opening of North Spring Street.

PUSHMOBILE ACE DISQUALIFIED AS HE WINS RACE

Victor Day Too Old For Contest

Charles "Bud" Rauth, a member of the Jeffersonville High School basketball team last winter, annexed the pushmobile derby honors Thursday afternoon at the race course on Pearl street between Market and Chestnut streets, but was disqualified by the judges for being over the age limit of 16 years.

Rauth told the judges after the race (that his sixteenth birthday fell today, and after a moments deliberation the judges voted to give the race to Bud Jenks and Mike Graston, the runners-up.

Rauth was much too good for his opponents, fairly running away with his heat and coming right back to win handily in the finals. Bobby Brunner piloted the winning car both times, and did a splendid job. Bud Jenks and his youthful pilot finished second to Rauth in the first heat and came right back to chase Rauth home in the finals.

With Bud Jenks moved up to the winner by the disqualification, Vaughan Seward and Paul Smith won second prize, and Jack Worrall and Bob Shoemaker annexed third prize. First prize was \$5, second prize \$3, and third prize \$2.

A cash prize also went to Ross Callahan who constructed the Missouri Maru the vehicle which was adjudged the best constructed car in the race. Judges in the race were Shirley Wilcox, Prof. R. M. Bagerly, Earl Seabrook, and Elmer Frank.

Mrs. Fred Orman and two sons of Indianapolis, are visiting her parents, Mr. and Mrs. George Gatzel, East Park Place.

City Dolls Up To Celebrate Road Opening

Two-Day Event Is To Start Friday

George Mode, chairman of the Jeffersonville merchants jubilee, requested all the merchants of the city to put out flags in front of their stores, to add to the decoration in observance of the "Jubilee Days," Friday and Saturday to celebrate the opening of North Spring street.

As flags are displayed on every holiday, so should they be displayed on these days, which have been officially declared "Jubilee Days" by Mayor Allen W. Jacobs.

Broadcasting the news that Jeffersonville is on the eve of opening its gates to the public by way of a new concrete highway, a News and Journal truck bearing a public address system led a motorcade through Clark county today.

Free copies of the Evening News bearing news of the jubilee and messages of local merchants were distributed from the truck.

The sound equipment for the parade was supplied by Earl Bottorff, proprietor of the Radio and Television Shop.

Meanwhile the city put on its best "show and tuckers" in preparation for the two-day celebration.

North Spring street from Fourth street to Jackson street will be closed to traffic from 10 o'clock this morning until 10 o'clock this evening.

Mayor Allen W. Jacobs, who is expected to arrive in Jeffersonville today, will be met at the station by the city officials.
